DRESS CODE (at school and all school functions)

Our main goal in supervising the appearance of students is that the students be clean, neat, and modest, and that girls look feminine and boys look masculine. Students not meeting these standards will be required to change. Clothing should not be TOO of anything: not too high, not too low, not too tight, not too loose, and not too transparent. If you are in question, it more than likely is not appropriate.

1. Clothing that allows undue exposure is not acceptable: short blouses or shirts that expose the middle, jog bras, halter/bikini tops, shoulder straps less than 2 inches, tank/tube tops, low cut blouses, low cut dresses, short dresses or skirts, dresses or skirts with inappropriate design (i.e. immodest slits), shorts with inseams of less than 4 inches. All skirts should long enough so that no under garments are exposed while sitting, standing, walking up stairs, etc... When in doubt, do the mirror test and see for yourself. Because of the uniqueness of each individual, the principal may deem it necessary to re-evaluate skirt lengths. If in doubt, ask before you purchase. Ultimately, the Administration –in love- has the decision on this. Complaining is subject to citizenship points. The school will give appropriate clothing to the student when necessary.
2. General Standards
 - a. The administration may deem specific items of clothing inappropriate even if they are not restricted below:
 - No clothing with inappropriate signs, slogans, or wording – specifically skulls, dragons, occult symbols, anything referring to chemical substance (ie..beer, alcohol, etc...)
 - No bare or stocking feet on campus. Slippers are acceptable.
 - No hats or sunglasses are to be worn during class or chapel.
 - All clothing must be appropriately buttoned and zipped up. All shorts need to be hemmed and of modest length. Pants and shirts should not have holes.
 - No earrings or ponytails for boys.
 - No body piercing/tattooing or body chains.
 - Hair color must be a natural color(ie. Blond, brown, black, auburn) and kept at a modest length.
 - **The administration has the final say on this.**
 - b. Students receiving three warnings will be required to wear a uniform for an appropriate period of time. The home will be notified so that we can have a united front.
